The History of a Black Presbyterian Church

Lombard Central West Philadelphia

Lombard Central consisted of native middle-class Philadelphians and newcomers of the migration to West Philadelphia.

Jeanne Sample: a schoolteacher hailing from West Grove, PA, a small farming town an hour away from the city.

Lloyd Sample: a doctor who ran his practice in the back upper rooms of their home.

Jeanne was also the secretary for the 100th anniversary committee (1944) and Lloyd was on the board of trustees.

Jeanne and Lloyd are relatives of BKBB panelist Briana Anthony. For more information check out her research materials in the lobby.
